Funding Source/Fiscal Impact
The General Fund is the major source for the cost of instruction, which pertains to the offering of approved courses. These costs are offset, to varying degrees, by apportionment received for credit-based instruction and other associated fees.

Reference(s)
Curriculum development and approval is an ongoing activity overseen by the Academic Senate, and its subordinate Curriculum Committee, and the Office of Instruction as per District Policy 4020. It is integrated into the Mission College Program Review process. It is emphasized in many sections of Standard II of the Accreditation Standards of the Accrediting Commission for Community and Junior Colleges. Likewise, it is regulated through Title 5 and WVMCCD District Policy 4020.

Background/Alternatives
As per District policy, the curriculum changes to programs and courses described herein have been considered and approved by the curriculum Committee and the articulation officer. Each of the curriculum changes and the foregoing approvals has been further reviewed by the chief instructional officer, the college president, and the district chancellor. The Office of Instruction further certifies that the programs and courses described herein satisfy all applicable requirements of Title 5 and have also been submitted to the Associated Students Government of Mission College. Degrees developed in compliance with state-approved Transfer Model Curricula (TMC) pursuant to SB-1440 (Padilla, 2010) have already been approved by the district chancellor acting as designee for the board of trustees and are being presented here as information items.

Coordination
Offerings have been coordinated between Mission College and West Valley College through a process of consultation.

Follow-up/Outcomes
Following Board approval of the curriculum changes, updates to catalogs and class schedules will be made, and campus marketing communications will reflect the changes, as appropriate. Courses which are archived will be removed from the College catalog; courses which are deleted will be removed both from the College catalog and from the state Curriculum Inventory.

Meeting	Apr 21, 2026 - WVMCCD Board of Trustees Regular Meeting
Type	Action (Consent)
Recommended Action	The Board of Trustees approve the travel costs of $173,300 for up to thirty students and two faculty chaperones from the Hospitality Management Department to participate in Hospitality Sales & Marketing study aboard program in Italy from December 30, 2026 – January 12, 2027.

Prepared By: J. Edward Stevenson

Reviewed By: Omar Murillo & Seher Awan

Approved By: Bradley Davis

Funding Source/Fiscal Impact
The estimated total cost for 30 students and 2 chaperones to participate in the program is $173,300. Students who wish to participate are typically expected to pay their own expenses. However, the college has identified funding sources to help cover a portion of the costs, including the Hospitality Management Catering Fund and the Hospitality Management Bistro Fund.

Item	Estimated Cost
Staff Chaperone Travel Expenses funded by Mission College	
Per Staff Chaperone Total	$2,500
2 Staff Chaperones Total	$5,000
Student Travel Expenses funded by Mission College	
Registration + Lodging + 6 specialty meals + 14 Day Itinerary	$2,900
Airfare	$2,000
Trip Insurance	$150
Food @$40/day for 14 days	$560
Per Student Total:	$5,610
30 Student Participant Total:	$ 168,300
Total Cost for 2 Chaperones and 30 Student Participants	**$173,300**
1 chaperone is required for every 15 Students	

Reference(s)
AP6311 states: "Prior Board approval must be obtained for any travel at District expense if the total travel expense will exceed $10,000 for any one event or purpose, without regard to the number of individuals traveling."

Background/Alternatives
The goal of the Italy study abroad opportunity with Italy Abroad Program (IAP) is to offer a unique and diverse experience for Mission College students to travel to one of the most tourism-friendly countries in the world and get a chance to experience international hospitality in many different categories including tourism, food and beverage, wine industry, sustainability and eco-tourism. This will be the third such learning experience the Hospitality Management department has facilitated for its students.

The Italy Abroad Program (IAP) was selected as it provides a customized experience that aligns with the program goals, course outlines, and student learning outcomes of the Hospitality Management courses. IAP also offered personalized planning, with Vince Amalfitano revising the itinerary to include more hands-on activities at no extra cost. Additionally, this partnership presents the potential to develop a formal and ongoing "culinary" abroad program for students.

Coordination
Details of the program have been coordinated between the executive director of general services, department chair of hospitality management, dean of business, education and service industries, vice president of Instruction, the vice president of administrative services, participating faculty members Haze Dennis and/or Eve Little, and/or Chona Piumarta and/or chair Daniel Arias, and the administrator of IAP (Italy Abroad Program). The associate vice chancellor of advancement may be included in the coordination if access to Hospitality Management Foundation funds are needed.

Follow-Up/Outcome
Upon Board approval, hospitality management students will participate in the department's third study abroad opportunity. The department hopes to make this initiative an ongoing and expanding program. This particular trip will include foundational planning for a possible exclusive culinary experience in the future. Experiences of students and faculty will be presented as part of the college report to the board of trustees in the spring of 2027.

Meeting	Apr 21, 2026 - WVMCCD Board of Trustees Regular Meeting
Type	Action (Consent)
Recommended Action	The Board of Trustees review and approve the College and Career Access Pathways (CCAP) Agreement between East Side Union High School District (ESUHSD) and West Valley-Mission Community College District (WVMCCD) to offer dual enrollment pathway courses for the 2026–2028 academic years.

Prepared By: Julian Branch

Reviewed By: Seher Awan

Approved By: Bradley Davis

Funding Source/Fiscal Impact:
The General Fund is the major source for the cost of instruction, which pertains to the offering of approved courses. If approved, Mission College will provide community college coursework to eligible ESUHSD students during summer and/or academic term offerings at agreed-upon ESUHSD sites and/or Mission College. Mission College will include students enrolled under this CCAP Agreement in the District's report of Full-Time Equivalent Students (FTES) for purposes of receiving state apportionment, consistent with Education Code section 76004.

References:
Education Code 76004(b) (Assembly Bill 288) establishes the College and Career Access Pathways Act, which allows California Community College districts to form partnerships with local school districts. This agreement aligns with Mission College's Strategic Education Master Plan and Student Equity Plan goals, which focus on enhancing student pathways to degrees and transfer, strengthening collaborations with K-12 institutions, and increasing access and success for underrepresented groups.

On October 4, 2019, Assembly Bill 30 and Senate Bill 5861 were signed into law, simplifying the CCAP agreement process by requiring each district to present the proposed agreement to their governing board only once, rather than twice.

Background/Alternatives:
Students who earn college credit while enrolled in high school are more likely to graduate, enroll in postsecondary education, attend full-time, and complete certificates and degrees. The proposed two-year CCAP Agreement (July 1, 2026 – June 30, 2028) establishes a formal collaboration between Mission College and ESUHSD to provide structured dual enrollment pathways.

Initial program offerings include:

- MTT 010 – Introduction to Technology and Career
- MTT 012 – Electronic Systems Measurement and Troubleshooting

Courses may be offered at Mt. Pleasant High School and/or Mission College during Summer 2026 and Summer 2027, subject to final scheduling coordination.

This agreement replaces prior agreements and formalizes compliance with current Education Code requirements. Both districts will seek governing board approval prior to execution.

The agreement has been reviewed by Mission College administration and ESUHSD leadership.

Coordination:
The director of educational partnerships will oversee implementation of the agreement in coordination with the vice president of instruction, vice president of student services, participating academic departments, and ESUHSD leadership. Both districts will coordinate student eligibility verification, release documentation (if required), data reporting, and ISA approval consistent with state regulations.

Follow-up/Outcome:
Upon approval by both boards, the executed agreement will be filed with the California Community Colleges Chancellor's Office and the California Department of Education as required by Education Code section 76004. Mission College and ESUHSD will finalize course scheduling, student recruitment, and faculty assignment in preparation for Summer 2026 implementation. Annual reporting will be completed in compliance with Chancellor's Office requirements, including enrollment, course completion, FTES generation, and demographic reporting.

Approved By: Bradley Davis

Funding Source/Fiscal Impact:
The General Fund is the major source for the cost of instruction, which pertains to the offering of approved courses. If approved, Mission College will provide community college pathway courses to MetroED students during the regular school day at MetroED campuses. Mission College will include students enrolled under this CCAP Agreement in the District's report of Full-Time Equivalent Students (FTES) for purposes of receiving state approval, consistent with Education Code section 76004.

For courses taught by agreed-upon MetroED instructors under an Instructional Service Agreement, Mission College will compensate MetroED $750 per class/section to support enrollment management, attendance tracking, syllabus coordination, meetings, retention support, and recording of college grades. Mission College will use the California Community College Chancellor's Office (CCCCO) Middle College High School (MCHS) Grant to cover the cost of MetroED instructors, if applicable. MetroED will bear the cost of instructional materials, classroom space, and equipment as specified in Appendix A of the agreement.

Students who earn college credit while enrolled in high school are more likely to graduate, enroll in post-secondary education, attend full time, and complete certificates and degrees. Metropolitan Education District serves high school students within WVMCCD's regional service area. This agreement establishes a two-year CCAP partnership (July 1, 2026 – June 30, 2028) to offer structured dual enrollment pathways in the areas of:

- Hospitality (FDR 050, FDR 051A, FDR 056)
- Manufacturing & Industrial Technology (MTT 010, MTT 012, MTT 020)

This draft agreement has been reviewed by the Mission College president, vice president of instruction, vice president of student services, District administration, and MetroED leadership. It is also being presented to the MetroED board for review and approval.

Coordination:
The director of educational partnerships will oversee the operational and instructional aspects of this agreement. An educational administrator identified in the CCAP agreement appendix will facilitate coordination between Mission College and MetroED in accordance with WVMCCD policies and standards.

Follow-up/Outcome:
After approval by both boards, Mission College will submit the agreement to the California Community Colleges Chancellor's Office and the California Department of Education for review and coordinate with MetroED administrators to implement the pathway in preparation for the next cohort in the fall 2026 semester.

Education Code Section 81656 states that the governing board of a community college district must review the purchases of the district. District policy section BP 6330 states that purchase orders are subject to Board review every sixty (60) days. District policy section BP 6340 states that contracts are not enforceable obligations until they are ratified by the Board.

Background/Alternatives
Attached are the purchase orders issued in February 2026 that are more than $10,000. Purchase orders less than $10,000 are available for review upon request. The attached report is being provided so that larger expenditure items are separately identified for review by the Board of Trustees. Items appearing in the report will have, in some cases, been presented to the Board prior to issuance of a contract that was subsequently converted into a purchase order for payment purposes. Approval of this consent agenda item constitutes Board ratification of these purchase orders and their associated contracts, if any, unless said item(s) were already previously approved by the Board.

Title 1, Division 7, Chapter 5, Article 1 (§6500 et seq.) of the Government Code of the State of California authorizes joint exercise by two or more public agencies of any power common to them; in addition, Sections 35214, 17566, 17567, 81602, and 81603 of the CA Education Code authorizes a school district to establish a plan for health, vision, mental wellness, physical wellness, dental, IRC Section 125, life, long-term care, prepaid legal, long-term disability, deferred compensation, voluntary benefits, or any other fringe benefits as authorized by law.

Background/Alternatives
The San Diego County Schools Fringe Benefits Consortium (FBC) is comprised of over 100 districts and charter schools, one of which is the West Valley-Mission Community College District (District). It is governed by a board of directors consisting of two representatives from each participating member district and charter school. Its purpose is to offer its member districts and charter schools a wide variety of fringe benefits for their employees at a lower cost than districts can get on their own or with other groups. The attached resolution will give authority to Laura C. Benson, interim vice chancellor of human resources, to represent West Valley-Mission Community College District on the Board of Directors of The San Diego County School Fringe Benefits Consortium (FBC) and Ngoc Chim, vice chancellor of finance and administration, to serve as the alternate.

Coordination
This item was reviewed by the interim vice chancellor of human resources and the vice chancellor of finance and administration.

Follow up/Outcomes
The executive assistant to the vice chancellor of human resources will ensure a signed copy of the resolution is sent to the San Diego County Schools Fringe Benefits Consortium (FBC).

Funding Source/Fiscal Impact
This contract will be funded by the Human Resources benefits budget.

Reference(s)
Board Policy 6340 requires prior Board approval for contracts with independent contractors or consultants exceeding $100,000. Pursuant to Government Code Section 53060, the district may contract for specialized professional administrative services without competitive bidding when such services are of a highly specialized and professional nature. Benefits enrollment and administration services fall within this category due to the complexity and technical expertise required to manage employee and retiree benefits.

Benefits administration software and services are essential for the district to effectively manage benefits for both employees and retirees. While alternative platforms are available, PlanSource is the only solution that fully meets the district's specific needs and objectives.

Additionally, once a benefits administration platform has been implemented and proven effective, maintaining continuity is critical to ensuring consistent operations, minimizing the need for additional staff training, and providing a stable, user-friendly experience during open enrollment.

Background/Alternatives
The district has historically contracted with SmartBen/Alight to provide benefits administration services, including management of open enrollment and ongoing maintenance of employee and retiree benefits. The district was recently notified that SmartBen/Alight will be shifting its business focus to larger accounts and will no longer provide services to the district.

In evaluating replacement vendors, Human Resources identified several key objectives: maintaining a high level of service for employees, keeping costs stable, and consolidating related services such as flexible spending accounts (FSA), Affordable Care Act (ACA) compliance tracking, and retiree dental direct billing under a single provider.

PlanSource was selected as the vendor that best meets these objectives. The company offers a comprehensive, user-friendly benefits administration platform along with an integrated suite of services aligned with the district's operational needs. Entering into a three-year agreement beginning August 1, 2026, will enable the district to maintain current cost levels while consolidating services previously provided by multiple vendors into a single, streamlined solution.

Coordination
The executive director of human resources operations studied and compared various delivery models and quotes from vendors who offer benefit administration software and services, discussed these alternatives with the vice chancellor of human resources, other HR staff, and the executive director of general services. Departmental resources are organized and prepared to launch this initiative.

Follow-up/Outcome
Upon Board approval, the vice chancellor of finance & administration will execute a contract with PlanSource for services, with a total cost not to exceed $255,000 over a three-year term.

Funding Source/Fiscal Impact
The funding for this project comes from the Measure W bond program.

Reference(s)
This item is associated with the implementation of the Mission College Facilities Master Plan, the WVMCCD 5-Year Construction Plan, and the Measure W bond program.

Background/Alternatives
The award of the contract is based on the base bid plus allowance as follows:

Contractor	Base Bid	Allowance	Award
Atlas Pellizzari Electric, Inc.	$922,000.00	$150,000.00	$1,072,000.00
Bear Electrical Solutions, LLC	$928,950.00	$150,000.00	$1,078,950.00
Tennyson Electric, Inc.	$971,000.00	$150,000.00	$1,121,000.00
4 Point Power, Inc.	$1,050,467.00	$150,000.00	$1,200,467.00

The district solicited bids for the replacement of light poles at the tennis court at Mission College. This project involves the removal of the existing light poles, new power infrastructure, and installation of new light poles, lighting controls and light pole concrete foundations. The new light poles will be placed on the perimeter of the tennis courts and are designed for athletic courts and fields.

A notice to bidders was publicly advertised, and multiple contractors were invited to participate. Eleven companies attended the mandatory pre-bid meeting. Of those, four contractors submitted bids through PlanetBids. Bids were publicly opened and read aloud on March 3, 2026, at 2:00 PM.

Following a comprehensive review of all submitted bid documents and contractor qualifications, the district determined that Atlas Pellizzari Electric, Inc. is the lowest responsive and responsible bidder. The district intends to move forward with awarding the contract to Atlas Pellizzari Electric, Inc. in accordance with public contracting requirements.

Coordination
This item includes the work of the vice chancellor of facilities development and operations, the executive director of general services, the executive director of construction and Construction Management team.

Follow-up/Outcome
Upon Board approval, a contract will be issued to Atlas Pellizzari Electric, Inc. in the amount of $1,072,000.00.

Funding Source/Fiscal Impact
Funding for these projects is derived from a combination of State Capital Outlay funds, Measure C, and Measure W. This rebase represents budget adjustments to various projects in accordance with project needs, the recognition of interest earned, and the establishing of scopes for all Measure W projects.

Reference(s)
This item is associated with the implementation of the West Valley College and Mission College facilities master plans, the WVMCCD 5-Year Construction Plan, and Measure C and Measure W bond programs.

Background/Alternatives
As part of the accountability measures for the Measures C and W Bond Programs, the management team for the program has put into place a formal process for managing, tracking and presenting all revisions to the Measure C and Measure W individual project names, scopes and budgets to the Board. This process adheres to the accountability standards outlined by Proposition 39 and provides transparency in the evolution of the project list.

On January 10, 2026, the Board of Trustees approved the rebased Measure C and W project priority lists. Since then, program and budgets for active projects have been prioritized and rebased and project names for active projects have been changed by the district and colleges.

This Bond List Rebase Request Report reflects the following significant revisions:

- Consolidation of remaining Measure W and State Capital Outlay budget and expenses of West Valley project: Theater Renovation and Expansion (WV-415011) to WVC Performing Arts Center (WV-415010), and recognition of State Capital Outlay funds to WVC Performing Arts Center (WV-415010) to match full amount allocated by the State
- Budget adjustment to West Valley College Learning Resource Commons (WV-415020) to accommodate final project expenditures
- Budget adjustment to Mission College Library Renovation (MC-420009) to accommodate project needs
- Budget adjustment to district-wide HVAC Lighting and Energy Retrofit Projects (DS-016) to accommodate project needs
- Creation of a new project district-wide Roofing in Summer 2026 (DS-017)
- Measure W interest earnings allocation to Bond Administration (DS-400000) and Program Management (DS-435006)
- Establishing of project scopes for all Measure W Bond projects

Please refer to the attached Bond List Rebase Approval Request report for details on each project revision included on the Measure W Rebase #19 & State Match Rebase #1, dated April 21, 2026.

Coordination
The vice chancellor facilities development and operations, executive director of bond construction, facilities administrative specialist, A Kennedy Group and construction managers worked with district and college administrators on preparing this report.

Follow-up/Outcome
Upon Board approval, the rebased Measure C and W project priority list will be implemented by district administration.

Recommended Action	The Board of Trustees authorize the district to enter into a $250,000 contract with Successful Aging Solutions & Community Consulting (SASCC), for the period of April 22, 2026 to November 1, 2026.

Prepared By: Cade Story-Yetto

Reviewed By: Michael Robins

Approved By: Bradley Davis

Funding Source/Fiscal Impact
The district has allocated $250,000 from its unrestricted general fund in the FY 2025-26 budget to continue its strategic collaboration with SASCC. This funding aims to further increase older adult enrollment in credit and noncredit courses at both colleges. Building on the success of Phases 1 through 3, which achieved approximately 700 full-time equivalent students (FTES) in cumulative enrollment growth, the district aims to add an additional 200 FTES in Phase 4. The program will be reassessed biannually to evaluate its fiscal impact and return on investment, determining whether to continue or discontinue the collaboration.

Reference(s)
Under BP and AP 6340, and California Government Code 53060, the district may contract for specialized educational and administrative services.

Previously approved Board of Trustees Agenda Item: COLLABORATION WITH SUCCESSFUL AGING SOLUTIONS & COMMUNITY CONSULTING (SASCC), July 15, 2025 Regular Board of Trustees meeting.

Background/Alternatives
The district's strategic collaboration with Successful Aging Solutions & Community Consulting (SASCC) continues to advance enrollment and program innovation for adults age 50 and above. Since the Board's approval of Phase 3 in July 2025, the collaboration has sustained upward enrollment trajectories at both colleges, advanced curriculum development for the Home Caregiver Certificate and related pathways, expanded community marketing through The Outlook Community Newspaper to over 100,000 households, and deepened regional partnerships with elected officials, county agencies, and healthcare institutions.

To advance district goals, SASCC will develop and implement several initiatives as part of Phase 4, including:

- Launch a Gerontology Certificate Program at Mission College in partnership with County Supervisors Otto Lee and Susan Ellenberg, Santa Clara County Valley Medical Center, O'Connor Hospital, and the County Department of Aging and Adult Services, supporting the county's new Center for Excellence in Aging.
- Launch the Community Caregiver Certificate Program at West Valley College in Fall 2026, including faculty recruitment, curriculum finalization, and a community enrollment campaign.
- Launch the Senior Guided Pathways webpage on the Mission College website and continue The Outlook newspaper to promote both colleges' offerings.
- Advance planning and stakeholder engagement for the Center for Aging at West Valley College.
- Co-host community enrollment events with Los Gatos Mayor Rob Moore ("Teen Town Hall") and County Assessor Neysa Fligor ("Senior Housing Town Hall").
- Continue the RYDE transportation program, marketing efforts, and direct service partnerships, and provide regular progress reports to district administration.

Coordination
Phases 1 through 3 of this collaboration involved close coordination between district and college leadership to achieve the district’s goals. The chancellor worked collaboratively with the college presidents and the executive director of SASCC to prepare this board item and guide Phase 4 of the partnership.

Follow-up/Outcome
Upon Board approval, the chancellor will execute the contract with SASCC and report back to the Board on key milestones, outcomes, and next steps for the Center for Aging, the Gerontology Certificate Program at Mission College, the Community Caregiver Certificate launch at West Valley College, and ongoing program evaluation. District and college leadership will continue working with SASCC and community partners to ensure successful implementation.

Pursuant to the governing policies of the CCCT Board of the Community College League of California (CCLC), the annual election for CCCT Board seats takes place between March 10 and April 25, 2026. There are nine seats up for re-election this year, and each CCLC member district (including WVMCCD) is entitled to one vote per vacancy. Attached is a list of the candidates for the vacancies.

Background/Alternatives
On March 18, 2026, the Board formed an Ad Hoc Committee to review candidate information for the current vacancies on the CCCT Board. That committee—consisting of Trustees Adrienne Grey and Paul Fong, evaluated each candidate's campaign materials and has recommended all nine of the candidates for Board consideration.

Coordination
The Ad Hoc Committee's recommendations were developed in consultation with the Board President and district staff to ensure timely review of candidate materials, alignment with election deadlines, and transparent communication.

Follow-up/Outcome
Upon Board approval, the Chancellor's Office will forward the Board's vote to the Community College League of California (CCLC) office via eBallot by April 25, 2026.
