Meeting	Sep 8, 2026 - WVMCCD Board of Trustees Regular Meeting
Type	Action, Discussion
Recommended Action	The Board of Trustees approves the governing board member's participation in the board meeting virtually/remotely citing the "Just Cause" or qualifying "Reasonable Accommodation" provision of Gov. Code, § 54953 et seq., circumstance relating to the qualifying reason.

1. Government Code section 54953

Pursuant to Government Code section 54953, a trustee may be eligible to attend a Board of Education meeting remotely with Just Cause, a qualifying Reasonable Accommodation, or during a proclaimed state of emergency or local emergency. To ensure compliance with the notice requirements of Gov. Code § 54953 et seq., the Board will maintain a standing Gov. Code § 54953 et seq. agenda item for each meeting.

a. Identify Just Cause submissions, if any.

Pursuant to Gov. Code § 54953 et seq., a trustee may attend the Board meeting remotely with a qualifying Just Cause. The Board will identify and approve any Just Cause submissions received for the current Board meeting.

b. Consider and take action on proclaimed state of emergency or local emergency requests, if any.

Pursuant to Section 54953.8, a trustee may attend the Board meeting remotely during a proclaimed state of emergency or local emergency and Board approval. Emergency. The Board will identify any state of emergency or local emergency requests received for the current Board meeting, provide a general description of the circumstances, and take action by majority vote to approve or deny the request.

c. Disclosure of individuals present at remote locations, if any, pursuant to Gov. Code § 54953 et seq.

A trustee attending a Board meeting remotely under Gov. Code § 54953 et seq. must publicly disclose whether any other individuals 18 years of age or older are present in the room at the remote location with the trustee, and the general nature of the member's relationship with any such individuals. Any trustee attending the current Board meeting remotely under Gov. Code § 54953 et seq will make this public disclosure.

Funding Source/Fiscal Impact

Funding will be provided by the West Valley College MESA grant.

Below is the estimated cost of attendance for the seven conference attendees:

Item	Cost
Airfare	$2,000
Conference Registration	$5,000
Lodging	$4,000
Course Fees, Guides & Program Delivery	$600
TOTAL COST (7 PARTICIPANTS)	**$11,600**

Reference(s)
AP 6311 states: "Prior Board approval must be obtained for any travel at District expense if the total travel expense will exceed $10,000 for any one event or purpose, without regard to the number of individuals traveling."

In that the proposed group travel expenditure is $11,600, this Board item seeks such approval.

Background/Alternatives

SACNAS, the Society for Advancing Chicanos/Hispanics & Native Americans in Science, is an inclusive organization dedicated to fostering the success of Chicanos/Hispanics and Native Americans in attaining advanced degrees, careers, and leadership positions in STEM. NDiSTEM is SACNAS's premier conference and the country's largest multidisciplinary and multicultural STEM diversity conference. Participants, from college-level through professional, are immersed in cutting-edge STEM research, professional development sessions, and motivational keynote speakers. Attendees are part of an inclusive and welcoming community of peers, mentors, and role models. The conference also features a Graduate School & Career Expo Hall and multicultural celebrations.

This year, three MESA students submitted the research they conducted this summer (at Stanford and at NASA/AMES) for presentation as posters at the SACNAS Conference.

Coordination
Attendance at the 2026 SACNAS conference will be coordinated by the MESA director. The dean of the school of science and mathematics will also provide support.

Follow-up/Outcome
Upon approval by the Board of Trustees, travel arrangements will be confirmed for up to five West Valley College MESA students and two staff chaperones.

Below is the estimated cost of attendance for this conference for all 8 individuals:

Classified Professional, Faculty, and Administrator Expenses	
Item	**Cost Per Staff**
Conference Registration	$800
Round Trip Airfare	$250
Lodging (3 days)	$600
Meals (Dinner Tues-Thurs)	$128
Ground Transportation & Mileage	$100
Total Costs Per Classified Professional, Faculty, Administrator	$1,878
Total Travel Cost For 8 Classified Professionals, Faculty, and Administrators	***$15,024***

Reference(s)
AP6311 states: "Prior Board approval must be obtained for any travel at District expense if the total travel expense will exceed $10,000 for any one event or purpose, without regard to the number of individuals traveling."

Background/Alternatives
The California Community College Extended Opportunity Programs and Services Association invites EOPS professionals, administrators, faculty, classified professionals, counselors, students, community partners, and equity-minded leaders to attend the 57th Annual CCCEOPSA Conference. This year's conference theme, EOPS Strong: Power in Unity, calls on attendees to honor the enduring legacy of EOPS while advancing collective action for the students, families, and communities we serve.

Coordination
The EOPS office will handle all processing for the conference travel. The following EOPS staff will represent Mission College: Dr. Katrina Hermoso, Araceli Lopez, Amanda Marshall, Stephanie Rodriguez, Theresa Tran, Ngoc-Tu Trinh, Alejandro Zavala, Anthony Zelaya.

Follow-up/Outcome
Upon approval of this agenda item, travel arrangements, and registration will be confirmed for the Mission College team to attend the conference. The EOPS team will work together to develop a conference proposal relevant to the conference theme, as well as implement new best practices from the conference to continue their work in helping the College meet the goals and objectives outlined in the Strategic Education Master Plan and 2025-2028 Student Equity Plan.

Funding Source/Fiscal Impact
The funding for this project comes from the Measure W bond program.

The original contract amount was $446,019.00.
The final cost for this contract was $418,125.81.

Reference(s)
This item is associated with the implementation of the WVC Facilities Master Plan, the WVMCCD 5-Year Construction Plan, and the Measure W bond program.

Background/Alternatives
This project upgraded the security system within the two-story Information Systems Building. Improvements include removing previous security equipment, providing new security equipment - including infrastructure, programming, testing, and applicable repairs to interior finishes.

Coordination
The contract was reviewed by the vice chancellor of facilities development and operations, executive director of construction, the general services team and Kitchell CEM.

Follow-up/Outcome
Upon Board approval, a Notice of Completion will be filed with the Santa Clara County Recorder.

Prepared By: Victoria May

Reviewed By: Susan Sanchez and Ngoc Chim

Approved By: Bradley Davis

Funding Source/Fiscal Impact
This activity reports the sources and uses of the various funds of the district. All budget transfers reflect either:

1. Increases/decreases in expenditures that correspond to associated revenue increases/decreases; or
2. Movement of equal budget amounts from one account to another; or
3. Increases/decreases in expenditures or revenues that directly impact Fund Balance.

Budget adjustments are recommended to realign the budget with anticipated or actual expenditures or to process adjustments resulting from changes in revenues.

Reference(s)
Education Code Section 84040 provides that the Board of Governors periodically assess the financial condition of the district. This assessment includes a comparison of budget to actual amounts. Once a budget is adopted, the total designated for each major expenditure classification is the maximum expenditure allowed. Pursuant to California Code of Regulations Section 58307, any budget transfers between major classifications, or from reserves, must be authorized by the Governing Board.

Background/Alternatives
A summary of all funds is presented on the following pages. It should be noted that the fourth quarter working budget includes current-year allocations and the allocations approved by the Board of Trustees during the fourth quarter. Expenditures are actuals through June 30, 2026, and do not include any outstanding encumbrances that have been rolled forward to the new fiscal year. This report is for the fourth quarter only; the summary of significant changes lists the fourth quarter's cumulative budget transactions.

Coordination
Budget adjustments are coordinated throughout the year with both of the vice presidents of administrative services.

Follow-up/Outcome
No further action is required.

Funding Source/Fiscal Impact
There is no fiscal impact associated with this item.

Reference(s)
Education Code Section 81656 states that the governing board of a community college district must review the purchases of the district. District policy section BP 6330 states that purchase orders are subject to Board review every sixty (60) days. District policy section BP 6340 states that contracts are not enforceable obligations until they are ratified by the Board.

Background/Alternatives
Attached are the purchase orders issued in July 2026 that are more than $10,000. Purchase orders less than $10,000 are available for review upon request. The attached report is being provided so that larger expenditure items are separately identified for review by the Board of Trustees. Items appearing in the report will have, in some cases, been presented to the Board prior to issuance of a contract that was subsequently converted into a purchase order for payment purposes. Approval of this consent agenda item constitutes Board ratification of these purchase orders and their associated contracts, if any, unless said item(s) were already previously approved by the Board.

Coordination
The executive director of general services has reviewed this list with the vice chancellor of finance and administration.

Follow-up/Outcome
A monthly report will be generated for Board review.

Funding Source/Fiscal Impact
Since March 2026, the WVMCCD Foundation has received $21,000 in donations from Timothy Owens to partially fund the gift principal of the Bob Owens Memorial Scholarship Endowment. This additional $12,000 gift will fully fund the endowment principal. Annual investment earnings will be used to provide scholarships to West Valley College and Mission College students.

Reference(s)
Board Policy 3820 Gifts: Governs acceptance of donations exceeding $10,000, which require prior Board approval.

Background/Alternatives
The Bob Owens Memorial Scholarship Endowment was established by the children of Robert “Bob” Owens, whose lifelong commitment to education, public service, and student success left a lasting impact on the West Valley-Mission Community College District and the broader community. Following a distinguished legal career in public service and education law, Bob was elected to the West Valley-Mission Community College District Board of Trustees in 2000 and served for more than 20 years and helped guide the district's growth and success.

This gift from Timothy Owens reflects the family's continued commitment to honoring his legacy through support for future generations of students.

Coordination
The gift was coordinated by associate vice chancellor of advancement, Melissa Johns.

Funding Source/Fiscal Impact
Funds for the continuation of district efforts to promote Equal Employment Opportunity (EEO) and diversity will be provided to the district by the State Chancellor's Office pursuant to the provisions set forth below.

The EEO funding will be based on the review of the EEO Annual Certification Form and distributed using the following funding allocation formula:
- 15% for Section B: Collection and Analysis of Recruitment, Retention, and Longitudinal Data.
- 50% for Section C: EEO Plan Component 13.
- 15% for Section D: Response to Harassment and Discrimination Complaints.
- 20% for Section E: Use of EEO Funds.

Pending the State Chancellor's Office approval of the district's Annual Certification Form, the district's allocation from the State is projected to be comparable to past years' allocations.

Background/Alternatives
In July 2021, in order to provide the necessary foundation for stronger and more accountable EEO programs, the Board of Governors of the California Community Colleges adopted new Equal Employment Opportunity (EEO) regulations. As a part of the framework, funding appropriated by the Legislature is contingent on districts annually reporting their EEO-related activities.

California Code of Regulations, Title 5, Section 53024.2 specifies the categories of information that must be reported as part of this annual certification. Districts must certify that they have:
- recorded, reviewed, and reported the data required regarding qualified applicant pools and longitudinal data;
- reviewed and updated, as needed, the Strategies Component of the district's EEO Plan;
- investigated and appropriately responded to formal harassment or discrimination complaints filed pursuant to the process found beginning at Section 59300 of title 5 of the California Code of Regulations; and
- expended Equal Employment Opportunity funds in accordance with the purposes set forth in subdivision (c) of section 53030.

The Board last revised and approved the district's EEO Plan at its regularly scheduled meeting on May 14, 2024.

Coordination
The Human Resources department and members of the EEO Advisory Council, comprised of faculty, staff, and administrators of both colleges, collaborated on the completion of the attached 2026 Equal Employment Opportunity (EEO) Annual Certification Form.

Follow-up/Outcome
Following Board approval, the interim vice chancellor of human resources will submit the fully completed EEO Certification Form to the State Chancellor's Office.

Senate Bill 1166 added Section 66282.1 to the California Education Code, establishing new compliance and reporting mandates regarding sex-based discrimination and sexual harassment across all California community college districts.

Background/Alternatives
Starting September 1, 2026, and annually thereafter, districts must submit campus-by-campus information on activities undertaken to prevent, address, and respond to these incidents. The initial annual report covers an 18-month period from January 1, 2025, to June 30, 2026, while subsequent reports will cover the prior fiscal year from July 1 through June 30.

The report must include detailed data concerning sexual harassment reports, formal complaints filed with the district Title IX Office, active investigations, investigation timeliness, hearing and appeal outcomes, and personnel exempt from being classified as responsible employees. Data that results in a complaint is to be double counted, and all information is extracted from the district's 2026 SB 1166 Sexual Harassment Reporting Tracker.

To ensure transparency, the annual report must be presented during a public meeting of the district governing board, submitted to the Chancellor’s Office, and posted on the district's public website. The district will continue using this tracking process to review patterns, monitor timeliness, and strengthen communication, documentation, training, and coordination among Title IX, Human Resources, Student Services, and campus partners.

Coordination
The Human Resources Department, Mission College Office of Student Affairs, and West Valley College Office of Student Affairs compiled their reports.

Follow-up/Outcome
Following Board approval, the interim vice chancellor of human resources will submit the reports to the State Chancellor’s Office and collaborate with the appropriate departments to post the reports to the district website.

Recommended Action	The Board of Trustees adopt Resolution No. 26090802 to establish the 2026-2027 appropriations limit at $207,569,702.

Prepared By: Susan Sanchez

Reviewed By: Ngoc Chim

Approved By: Bradley Davis

Funding Source/Fiscal Impact
Prior to adoption of the final budget, each state governmental entity must calculate the appropriations limit. The limit that was first calculated in 1979 may be modified each year by a factor composed of a change in student population (FTES) and the lesser of the change in the Consumer Price Index or California per capita income.

The district's 2026-2027 appropriations subject to limitation is $198,118,320. The district's appropriations limit, based on changes in population, has been determined to be $207,569,702 (worksheet attached). The district's appropriations subject to the limit for 2026-2027 does not exceed the appropriations limit.

Article **XIII-B** of the California Constitution, commonly referred to as the Gann Limit, was approved by the voters in 1979.

Proposition 4 was passed by the voters of the state of California in November of 1979. Later, implementing legislation in the form of SB 1352 was passed in the California legislature and signed by the Governor. SB 1352 requires the following:

"Government Code Section 7910: Each year the governing board of each local jurisdiction shall by resolution establish its appropriations limit for the following fiscal year pursuant to Article XIII-B at a regularly scheduled meeting or at a special meeting. Fifteen (15) days prior to such meeting, documentation used in the determination of the appropriations limit shall be available to the public. The determination of the appropriations limit is a legislative act."

Background/Alternatives
In accordance with the provisions of Government Code Section 7910, any action to set aside or annul the establishment of the appropriations limit must be filed with the State Chancellor's Office within forty-five (45) days of the adoption of the resolution.

Coordination
According to law, the "documentation used in the determination of such limit shall be made available to the public fifteen (15) days prior to the actual adoption of such resolution." In compliance with the requirement, the documentation was made available to the public on August 24, 2026.

Follow-up/Outcomes
Upon Board approval, the Gann Limit information will be reported on the CCSF-311 Report, which is due on or before October 10, 2026.

Funding Source/Fiscal Impact
The final budget serves as the district's financial plan for fiscal year 2026-27 and serves as the authorization to expend funds as recorded in the budget.

Reference(s)
California Code of Regulations, Title 5, Section 58305 requires that each community college district adopt a final budget by September 15 of each year.

Background/Alternatives
In accordance with Title 5, Section 58301, a public notice was placed in a newspaper of general circulation to announce that the public hearing on the district's fiscal year 2026-27 final budget would be held on September 8 at 7:00 p.m. at Mission College and via Zoom. The public notice also announced that the final budget was available for inspection at the following libraries in the district's service territory:

West Valley College Library

Mission College Library

Campbell Library

Saratoga Community Library

Santa Clara Library
West Valley Branch Library
Bascom Branch Library

An electronic copy of the final budget is also available on the district's website.

Significant assumptions and information about the State budget, which will affect the district's final budget, follow.

Revenue projections for the Unrestricted and Restricted General Funds include the following:
- State Lottery revenue is projected to be $181 per FTES (unrestricted) and $80 per FTES (restricted)
- Mandated Block Grant revenue is projected to be $38 per FTES
- Proposition 30 Education Protection Act (EPA) revenue is projected to be $100 per FTES
- Student Enrollment Fee revenue is based on prior year actuals, changes in rates, and adjustments for the FTES goal
- Secure property tax includes a projected increase of 6%
- Categorical program funding will reflect the allocations provided by the State

Expenditure assumptions for the Unrestricted and Restricted General Funds include the following:
- 5% COLA
- Retiree health benefits are fully funded
- PERS mandatory benefit rate decreased from 26.81% to 26.40%
- STRS mandatory benefit rate remained at 19.10%
- Unemployment insurance rate remained at 0.05%
- Workers' Compensation rate increased from 0.82% to 0.95%

For the Unrestricted General Fund, the budget is balanced. Key components include:
- Use of community support funds
- Efficiency goal at 460 weekly student contact hours (WSCH)
- Target FTES of 12,739 for residents and 299 for non-residents
- Maximum contribution to health benefits – $18,596 for single, $35,247 for two party, and $45,238 for family
- Set aside money to support federal grant backfill and capital improvements

For the Restricted General Fund, the categorical program funding will be adjusted for known amounts. Most of the programs will reflect amounts allocated by the State. Adjustments to the budget will be made in the new fiscal year based on reallocation by the State.

Coordination
This item was coordinated with the Audit and Budget Oversight Committee (ABOC), District Council, the Executive Management Team (EMT), and the colleges' Administrative Services offices.

Follow-up/Outcome
A copy of the final budget for fiscal year 2026-27 will be forwarded to the State Chancellor's office upon Board approval. The budget will be loaded into Banner.

Type	Action
Recommended Action	The Board of Trustees adopt Resolution No. 26090801, making the findings required by Government Code section 4217.12 and approving an energy service contract with Gridscape Energy Solutions, Inc. for replacement of failed solar photovoltaic inverters and for on going energy conservation services at West Valley College and Mission College.

Approved By: Bradley Davis

Funding Source/Fiscal Impact
The funding for this project comes from Capital Improvement Funds (CIF) and General Fund fixed costs. This investment will reduce the district's energy costs with Silicon Valley Power and Pacific Gas and Electric.

Contract total costs include:

- Inverter replacement (one-time): $1,466,093, consisting of $758,626 at West Valley College and $707,467 at Mission College.
- Energy conservation services: $150,400 in Fiscal Year 2026-27 and $134,912 in Fiscal Year 2027-28, escalating three percent (3%) annually through June 30, 2041, for a projected total of approximately $2,455,550 over the fifteen year term.
- Base contract total: approximately $3,921,643 over fifteen years.
- Repair allowance (as-needed; not a committed cost): up to $250,000 per occurrence and $300,000 per fiscal year, authorized by task order under the agreement.

For comparison, Gridscape estimates the district incurred approximately $5 million in excess utility costs between 2024 and 2026 as a result of the systems being offline or underperforming. The full fifteen-year base contract is projected to cost less than the excess utility costs already incurred over the last three years.

Reference(s)
This item is associated with Resolution No. 26090801; California Government Code sections 4217.10 through 4217.18; the district's solar photovoltaic agreements with SunPower Corporation board approved on November 16, 2010 (Measure H) and May 7, 2019 (Measure W); the Gridscape Energy Solutions, Inc. system assessment presentation dated May 21, 2026; and the Gridscape Energy Solutions, Inc. inverter replacement proposal dated August 14, 2026.

Background/Alternatives
The district owns solar photovoltaic and battery energy storage systems at West Valley College and Mission College, installed by SunPower Corporation in two phases: approximately 2.2 megawatts of solar carport capacity placed in service in 2011, and a Measure W-funded expansion approved in 2019 adding approximately 5.4 megawatts of carport capacity and battery storage totaling approximately 2 megawatts and 3,800 kilowatt hours. SunPower agreed to provide operations and maintenance with a twenty-five (25) year performance guarantee. TotalEnergies Renewables USA, LLC acquired those obligations in 2022, prior to and independent of SunPower's 2024 bankruptcy.

In the fall of 2025, TotalEnergies advised the district that it was not performing, and did not intend to perform, maintenance on the systems. The district retained Gridscape Energy Solutions, Inc. to review the systems and provided the findings to TotalEnergies, which did not address the deficiencies and later issued a letter purporting to terminate its agreement, citing non-payment of an invoice that had been directed to a former district director of facilities.

Because TotalEnergies was no longer furnishing performance data, the district installed data acquisition system (DAS) devices beginning in the fall of 2025 and contracted with Gridscape in November 2025 for a full analysis of energy losses. The resulting assessment found that most of the district's solar capacity is producing no energy: West Valley College Lots 1 and 2 became disconnected following a utility outage; West Valley College Lots 4 and 5 and Mission College Lot C went offline due to inverter failure; and West Valley College Lot 7 is operating at an approximately fifty-seven percent (57%) production loss from a vehicle-damaged canopy and a relay trip. Only Mission College Lots B and E are operating without major issues.
The failed inverters are SatCon model PVS-500 units from the 2011 phase. SatCon filed for bankruptcy in 2012 and liquidated, so manufacturer support, warranty coverage, and spare parts no longer exist. The units are approximately fifteen years old and have reached the end of their useful service life; replacement is the only available remedy.

Government Code sections 4217.10 through 4217.18 authorize the Board, without advertising for bids, to enter into an energy service contract where the Board finds that the anticipated cost of the services is less than the anticipated marginal cost of the energy that would otherwise be consumed. Section 4217.11(c) includes maintenance within the definition of conservation measures, and section 4217.16 permits award based on the contractor's experience, technology, cost, and other relevant considerations. The required public hearing is noticed as item 3.6 on this agenda.

Approval of this item does not waive, release, or compromise any claim the district may hold against SunPower Corporation, TotalEnergies Renewables USA, LLC, or their affiliates, successors, or sureties. Resolution No. 26090801 expressly reserves those rights and directs staff to account for costs incurred in a manner that preserves the district's ability to seek recovery.

Coordination
This effort was coordinated with the vice chancellor of facilities development and operations, the general services department, the executive director of facilities and maintenance, district legal counsel, and Gridscape Energy Solutions, Inc.

Follow-up/Outcome
Upon Board approval, the district will finalize and issue an energy service contract Gridscape Energy Solutions, Inc. in an amount not to exceed $1,466,093 for the inverter replacement work, together with energy conservation services beginning at $150,400 in Fiscal Year 2026-27 and escalating as provided in Resolution No. 26090801 through June 30, 2041. Repairs authorized under the task order allowance will be reported to the Board not less than annually. Staff will file a Notice of Exemption with the Santa Clara County Clerk within five working days of adoption.

Recommended Action	The Board of Trustees ratify Project Assignment Agreement Request #3 for an increase of $20,000.00 to the contract with Prodigal Investment Group (DBA Premier Inspection Services) for the Library Renovation Inspection Services Agreement at Mission College.

Prepared By: Joseph Martinez

Reviewed By: Terrance DeGray

Approved By: Bradley Davis

Funding Source/Fiscal Impact
Funding for this contract comes from the Measure W Bond Program.

Reference(s)
This item is associated with the implementation of the MC Facilities Master Plan, the WVMCCD 5-Year Construction Plan, and the Measure W Bond Program.

Background/Alternatives
On July 16, 2024, the Board awarded a contract to Prodigal Investment Group doing business as Premier Inspection Services in the amount of $251,000 for Division of State Architect required project inspection services for the Mission College Library Renovation project. The district executed the inspection services agreement on July 23, 2024.

The original contract duration anticipated construction from July 2024 through September 2025. Due to schedule extensions resulting from design revisions, owner requested scope adjustments, and contractor related impacts, the construction schedule has been extended through August 2026.

Under Division of State Architect requirements, third party inspection services must be maintained for the full duration of active construction. As a result, additional inspection services are required to support the extended project timeline.

Contract Change Requests:
- CCR #3 ($20,000): Cost is associated with extended contract duration.

Financial Summary:

Original Contract Amount:	$251,000.00
Contract Change Request (CCR) #1:	$3,750.00
Contract Change Request (CCR) #2:	$81,250.00
Contract Change Request (CCR) #3:	$20,000.00
Total CCR Amount:	$105,000.00
Adjusted Contract Amount:	$356,000.00

Coordination
This effort was coordinated with the vice chancellor of facilities development and operations, executive director of bond construction, Gilbane Building Co, and Prodigal Investment Group (DBA Premier Inspection Services).

Follow-up/Outcome
Upon Board approval, the district will execute an amended agreement increasing the contract with Prodigal Investment Group (DBA Premier Inspection Services) by $20,000.00.
