Subject: Main Entry Curtain Wall Water Testing

Dear West Valley College,

Controlled water testing is scheduled for Friday, 6/6/25 at the IS Building. These activities are contingent on fair weather. Testing will only affect the main entrance and vestibule near the main entrance. The main entrance may also be temporarily inaccessible during portions of the testing, please use alternate entrance in the interim. Low to Medium noise and levels are expected.

We appreciate your understanding and patience as we enhance the aesthetics of the West Valley Campus through this necessary work.
