

ANNUAL REPORT TO THE CITIZENS OF THE WEST VALLEY-MISSION COMMUNITY COLLEGE DISTRICT ON THE DISBURSEMENT OF FUNDS UNDER THE REQUIREMENTS OF MEASURE C and MEASURE W

January 2024 – December 2024

The Annual Report of the Citizens' Bond Oversight Committee (CBOC) is required by law in the language of Measure C, which was passed by the voters on June 5, 2012, and Measure W, which was passed by voters on November 6, 2018, both by at least 55% of the votes cast.

On November 7, 2000, Proposition 39 (The Smaller Classes, Safer Schools & Financial Accountability Act) was approved by the voters, which allowed for a 55% majority vote for college districts to secure bonding for repair and upgrade of various campus structures and to support existing and new programs that are required of the District as part of its commitment to provide a college education at the community level.

Among the restrictions of Proposition 39, in addition to oversight by an appointed citizens' committee, is a prohibition against the use of bond monies for administrator salaries and expenses, among other things. The oversight committee must include representation from a bona fide taxpayers' association (1), a business organization (1), and a senior citizens' organization (1). Also included are representatives of the campus student body (1), a District/College Support Organization (1), and the Community-at-large (2). No District employee or vendor is allowed to serve on the CBOC. CBOC members' terms are two years, and they may re-apply for a second two-year term with approval of the Board of Trustees of the District.

Committee Members

With the passage of Measure W, the Measure C committee by-laws were amended and restated to include oversight of Measure W. The 2019 amended and restated by-laws were approved by the Board of Trustees at its February 5, 2019, meeting. As a result of the amended by-laws, members who had previously served on the Measure C Committee shall be permitted to serve on the expanded Committee and, if appointed by the Board, are entitled to serve three (3) consecutive two (2) year terms from the date of their appointment. All but one existing committee member agreed to serve under the new by-laws and are entitled to serve three consecutive two-year terms. The re-appointment of existing members to the expanded Measure C & Measure W CBOC was approved by the Board at its April 2, 2019, meeting (Item 7.6).

The following members are now serving their final terms:

Shirley Cantu (Taxpayer Organization) May 2023 – April 2025

Michael Foulkes (District/College Support Organization) May 2023 – April 2025

Travis Ginn (Student Organization) June 2024 – June 2026

The following members are now serving their initial terms:

Paula Lacey (Community-at-large) January 2023 – April 2025

Mary Alden (Business Organization) December 2023 – December 2025

Maureen Health (Senior Citizens Organization) December 2023 – December 2025

The terms of the six above existing members were staggered to ensure continuation of experienced committee members.

In December 2024, the Governing Board appointed one new member to the committee, Michael Mertz (Community At-Large), whose initial term will be December 2024 – December 2026.

The CBOC would like to thank outgoing committee members Paul Cavagnolo and Karen DiLullo for their service.

The CBOC would like to thank Shirley Cantu in advance for her service.

The CBOC is governed by the Brown Act of 1971 (The Open Meetings Act) and all meeting agendas are published and publicly placed at least 72 hours prior to any scheduled meeting where official business is to be transacted. The general public is invited to attend all meetings. There are no closed sessions of the CBOC.

ANNUAL REPORT

Concluding its twentieth year, the CBOC continued with its program of oversight and review of Measure C & Measure W expenditures. The compliance to Measure C & W priorities and procedures by the District Staff and the CBOC were validated by the recent audit performed by Cossolias, Wilson, Dominguez, and Leavitt, CPA's, which will be presented to the CBOC on December 11, 2024. The auditors conducted Measure C & W Performance Audits to measure compliance with Proposition 39 and concluded that the District expended funds appropriately for the specific projects approved by the voters. A separate Financial Audit was conducted and concluded that the Financial Statements of Measure C & W Funds accurately present its financial status.

Through regular meetings and a variety of reports that the CBOC helped draft, the oversight process was timely and consistent.

MEASURE C FUNDING

Sale of General Obligation Bonds

In June 2012, Measure C, a \$350 million General Obligation bond measure, was approved by the voters. On August 21, 2012, the District issued the first series of bonds in the aggregate principal amount of \$100 million. The bond rating from Moody's was Aa2. In February 2015, the second series of bonds were issued in an aggregate principle of \$150 million. The bond rating from Moody's and Standard & Poor's was AAA. Given the higher bond rating, the District refunded at a lower interest rate about \$28 million in bonds that had been issued previously as part of Measure H. This provided a savings of \$6.6 million to the taxpayers. The third issuance in the amount of \$100 million, was sold in September 2017. It is anticipated that 99% of Measure C funds will be expended by December 30, 2023.

FINANCIALS

The CBOC reviewed the process that it and the bond staff use to measure the performance level of reporting expenditures and to review the accuracy of the financial presentations. The CBOC uses established procedures as its guide to review and report the staff's methods of reporting bond expenditures.

FINDINGS

The goal of the CBOC was to review its actions to assure that the expenditure of funds was consistent with the requirements of Measures C & W and to prepare a statement to be included in the Annual Report of the CBOC for presentation to the Board of Trustees.

The CBOC finds that appropriate procedures to approve and report any and all movements of monies from contingency, and between delineated projects, are in place. Reports to identify time frames and critical path points are produced and reviewed at all CBOC meetings.

Those reports that allow for CBOC oversight of bond money expenditures are listed as follows:

A. MEASURE C, MEASURE W AND CAPITAL OUTLAY PROGRAM PROJECT PROGRESS REPORTS:

Pre-Design Phase, Preliminary Design Phase, Working Drawings Phase, Bid and Award Phase, Construction Phase, and Construction Projects Completed.

B. UPDATE ON MEASURE C AND MEASURE W EXPENSES BY PROJECT PHASE.

West Valley Projects, Mission College Projects, District Projects.

C. UPDATE ON MEASURE C AND MEASURE W EXPENSES FOR ALL PROJECTS.

D. MEASURE C AND MEASURE W VENDOR CONTRACTS WITH EXPENDITURES PER PROJECT.

The CBOC finds the District's provision of information to the committee, maintenance of appropriate staffing to update said reports, and prompt response to CBOC requests results in accurate information and allows the CBOC to provide oversight of the expenditure of public

monies. The CBOC meets annually, as per the by-laws, due to the established, consistent, and thorough reporting regimen. The CBOC meets quarterly if quorum is achieved.

The CBOC thanks the Measure C & W staff members for their commitment to being prompt and factual, and for maintaining high standards of transparency. The CBOC is also grateful for the skilled administrative support provided by District staff during the past year.

The Chair would like to make a particular note of the District successfully recruiting one new committee member this year. In addition, the community volunteers are to be acknowledged and thanked for their service in reaching and achieving quorum at all of our meetings.

Respectfully Submitted:

Michael Foulkes, Chair
