*Locally available plans are those offered in the following counties: Santa Clara, San Mateo, Alameda, San Francisco, and Contra Costa. If you reside in another county, there may be a different selection of health plans with different rates. If this applies to you, you may contact HR for more information.

**Please note that the calculations are based on 12 pay periods. For any other pay schedules, simply take the Annual EE Cost and divide it by the number of applicable pay periods. If you reside outside of the Bay Area or are a percentage employee, please contact Human Resources to determine what your contribution will be.
