

Our purpose

Bringing our heart to
every moment of your
health™

CVS Caremark® is your Pharmacy Benefit Manager (PBM)

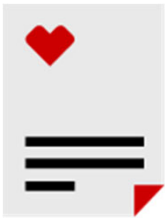

We manage your new prescription benefit plan and help keep your medication costs low.

We're like your health plan, but for prescriptions.

As a CVS Caremark member, you have **access to a wide range of cost-effective medications** and thousands of network pharmacy choices (including home delivery for you and your family).

Basic Enrollment Timeline

Announcement

CalPERS will send each member an announcement letter, informing you of the Pharmacy Benefit Manager change to CVS Caremark

Welcome Kit

Enrolling members will receive a welcome kit in the mail from CVS Caremark in **December**.

ID Cards

Members enrolling in CVS Caremark Prescription Drug coverage will **receive an ID card from their health plan before 1/1/2026**

Basic Plans Formulary Changes

If you are impacted by a formulary change expect for **you and your prescriber to receive a mailing approximately 60 days** before the change takes place

The letter will inform you of the change and **alternatives** that are appropriate for your condition

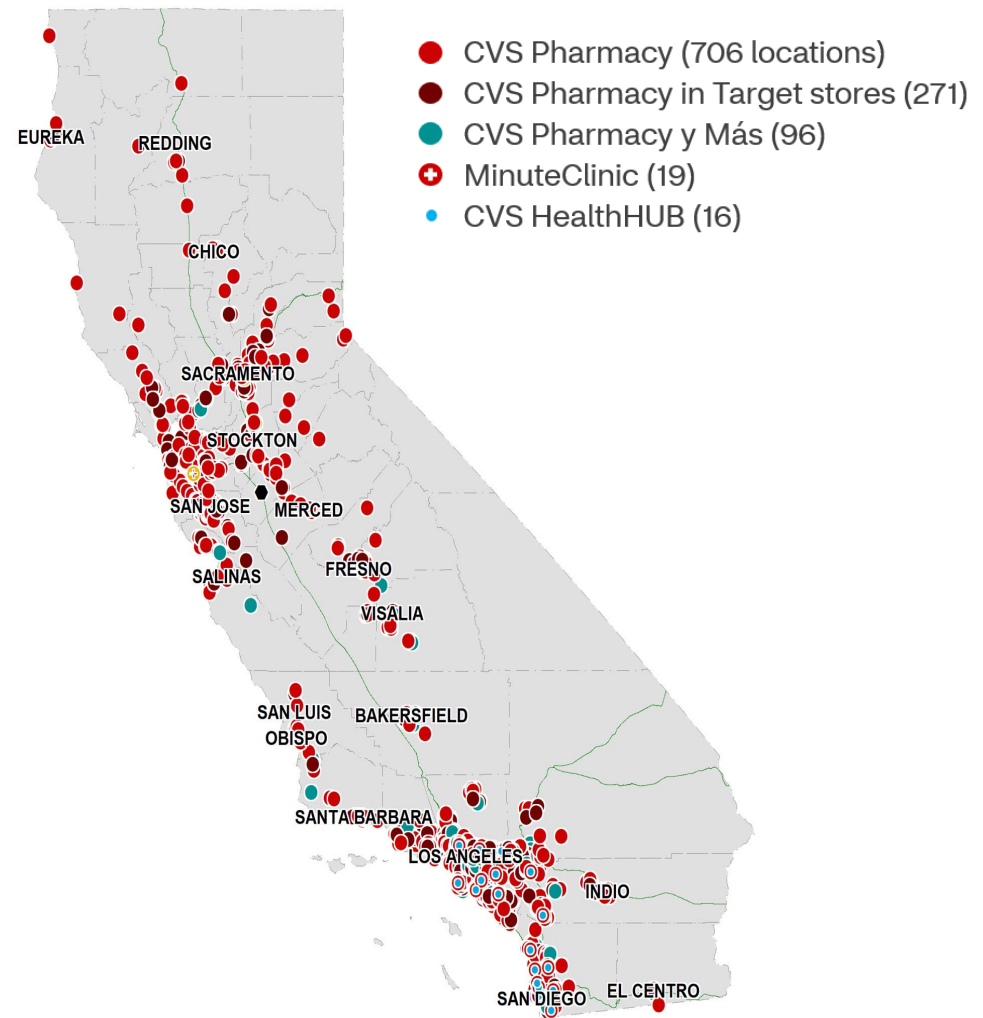

Always talk to your doctor regarding the change and what is best for your situation

CalPERS members will have access to:

- More than 64,000 pharmacies in-network nation wide.
- All major retail pharmacy chains and most independent pharmacies
- Most independent pharmacies, including 1,000+ CVS retail locations in California.
- CVS Specialty Pharmacy
- CVS Mail Order
- Dedicated CalPERS customer care support agents

90-Day supply at your retail pharmacy
