RECITALS

WHEREAS, the purpose of this Agreement is to achieve the objectives described in this Agreement on District projects; and

WHEREAS, the District successfully completed a pilot project situated on the District's West Valley College campus commonly referred to as the Applied Arts and Sciences Building under a Project Labor Agreement; and

WHEREAS, funds for construction of the Project are derived in whole or in part from proceeds of the District's Measure W General Obligation Bonds that will be on the ballot in the November 2018 election; and

WHEREAS, successfully completing Project construction within the time and the budget established by the District is of the utmost importance to the District and the students served by the District; and

WHEREAS, large numbers of workers of various skills are required to complete Project construction; and

WHEREAS, the use of skilled labor on construction work increases the safety of construction projects as well as the quality of completed work; and

WHEREAS, it is recognized that on projects of this magnitude with multiple contractors and bargaining units on the job site at the same time over an extended period of time, the potential for work disruption is substantial, without an overriding commitment to maintain continuity of work; and

WHEREAS, the interests of the general public, the District and its students, the Union, the Council and the Contractors are best served by completing construction of the Project in an orderly manner without delay, hindrance or disruption due to strikes, picketing or other labor disturbances, and.

WHEREAS, the Contractors and the Union desire to mutually establish and stabilize wages, hours and working conditions for the workers employed on the Project and to encourage close cooperation among the Contractors/Employers and the Union so that a satisfactory, continuous and harmonious relationship will exist among the parties to this Agreement; and

WHEREAS, the parties agree that one of the primary purposes of this Agreement is to avoid the tensions that might arise on the Project if Union and non-union workers of different employers were to work side by side on the Project, potentially leading to labor disputes that could delay completion of the Project; and

WHEREAS, this Agreement is not intended to replace, interfere with, abrogate, diminish or modify existing local or national collective bargaining agreements in effect during the duration of the Project, insofar as a legally binding agreement exists between the Contractors/Employers and the affected Unions, except to the extent that the provisions of this Agreement are inconsistent with said collective bargaining agreements, in which event, the provisions of this Agreement shall prevail; and

WHEREAS, the District places high priority upon the development of comprehensive programs for the recruitment, training and employment of local area residents, including District graduates, and recognizing the ability of local pre-apprenticeship and apprenticeship programs to provide meaningful and sustainable career pathways to careers in the building and construction industry; and

NOW THEREFORE, the Parties hereto agree as follows.

Disputes arising between the Unions and Contractor on construction projects excluded from the definition of "Project," or activities specifically excluded under Section 2.4 of this Agreement are not governed by the terms of this Section 4.1.1.

The Contractor and Union agree that the expired collective bargaining agreement shall continue in full force and effect for the Project subject to this Agreement until a new or modified collective bargaining agreement is reached between the Union and Contractor. In this instance, a Union's withholding of labor (but not picketing) from a Contractor/Employer that has failed to pay its fringe benefit contributions or failed to meet its weekly payroll shall not be considered a violation of this Article. The District or the General Contractor may elect to issue joint checks for disputed delinquencies.

4.1.5. Notification: If the District contends that any Union has violated this Article, it will so notify, in writing, the Senior Executive of the Council and the Senior Executive of the Union, setting forth the facts alleged to violate the Article, prior to instituting the expedited arbitration procedure set forth below. The Council shall immediately use its best efforts to cause the cessation of any violation of this Article. The leadership of the Union shall immediately inform the workers of their obligations under this Article. A Union complying with this obligation shall not be held responsible for unauthorized acts of employees it represents.

If neither is available, then the parties shall select the arbitrator from the list in Section 13.2.3. Notice to the arbitrator shall be by the most expeditious means available, with notice by email and telephone to the District and the party alleged to be in violation, and to the Council and involved local Union if a Union is alleged to be in violation.

4.2.2. Council Notice to Parties. Upon receipt of a Grievance Notice alleging that a Party has breached Article 4, the District will contact the permanent arbitrator named above, or his alternate, who will attempt to convene a hearing within twenty-four (24) hours if it is contended that the violation still exists.

- 4.2.3. Council Notice of Arbitration; Conduct of Arbitration Hearing. The arbitrator shall notify the Parties by e-mail and telephone of the place and time for the hearing. Said hearing shall be completed in one session, which, with appropriate recesses at the arbitrator's discretion, shall not exceed twenty-four (24) hours unless otherwise agreed upon by all Parties. A failure of any Party to attend said hearings shall not delay the hearing of evidence or the issuance of any award by the arbitrator.
- 4.2.4. Limits to Scope of Arbitration; Arbitration Award. The sole issue at the hearing shall be whether or not a violation of Article 4.1 of the Agreement has occurred. The arbitrator shall have no authority to consider any matter of justification, explanation or mitigation of such violation or to award damages, which issue is reserved for court proceedings, if any. The award shall be issued in writing within three (3) hours after the close of the hearing, and may be issued without a written opinion. If any Party desires a written opinion, one shall be issued within fifteen (15) days, but its issuance shall not delay compliance with or enforcement of the award. The arbitrator may order cessation of the violation of this Article and other appropriate relief and such award shall be served on all Parties by hand or registered mail upon issuance. Should a party found in violation of Articles 4.1.1 and/or 4.1.2 fail to comply with an arbitrator's award to cease the violation, the party in violation shall pay to the affected party as liquidated damages the sum of ten thousand dollars (\$10,000.00) per shift for which it failed to comply, or portion thereof, until such violation is ceased. The arbitrator shall retain jurisdiction to resolve any disputes regarding the liquidated damages claimed under this section.
- 4.2.5. Enforcement of Arbitration Award. Such award may be enforced by any Court of competent jurisdiction upon the filing of this Agreement and all other relevant documents referred to above in the following manner. Written notice of the filing of such enforcement proceedings shall be served on all Parties in accordance with the California Code of Civil Procedure. In the proceeding to obtain a temporary order enforcing the arbitrator's award as issued under Section 4.2.4, all Parties waive the right to a noticed hearing and agree that such proceedings may be conducted on an ex parte basis upon timely and proper service of the ex parte hearing. Such agreement does not waive any Party's right to participate in a hearing for a final order of enforcement. The Court's order or orders enforcing the arbitrator's award shall be served on all Parties by hand or delivered by certified mail.
- 4.2.6. Waiver of Other Arbitration Rights. Any rights created by statute or law governing arbitration proceedings inconsistent with the above procedure or which interfere with compliance are waived by the Parties.
- 4.2.7. Arbitration Costs; Arbitrator's Fees. The fees and expenses of the arbitrator shall be divided equally between the Parties to the arbitration.

4.2.8. Replacement Arbitrator. Should either the permanent or the alternate arbitrator identified above no longer work as a labor arbitrator, the District and the Council shall mutually agree to a replacement.

Article 5. Pre-Construction Conference. A pre-construction conference shall be held when requested by any Party to this Agreement prior to the commencement of work under the Construction Contract for the Project. Such conference shall be attended by a representative each from the District, all Contractors on that portion of the Project, the Unions and the Construction Manager, if any.

The Contractor agrees to deduct initiation fees, Union dues or representation fees from the pay of any employee who executes a voluntary authorization for such deductions and to remit the dues and fees to the applicable Union or Council. Further, there is nothing in this Agreement that would prevent non-union employees from voluntarily joining the local Union.

Article 8. Referral.

- 8.1. Union Craft Labor Referrals. Except as otherwise provided in sections 8.2, 8.3 and 8.4, the Union shall be the sole source of all craft labor of the Contractor employed on the Project. The Contractor shall be bound by and utilize the registration facilities and referral systems established or authorized by the Union when such procedures are not in violation of Federal or state law.
- 8.2. Core Employees. The Parties recognize the District's commitment to provide opportunities to participate on the Project to emerging business enterprises as well as other enterprises that may not have previously had a relationship with the Union. To ensure that such enterprises will have an opportunity to employ their "core" employees on the Project, the Parties agree that in those situations where the Contractor is not a party to a current collective bargaining agreement with the Union having jurisdiction over Project construction work to be performed by the Contractor, the Contractor may request by

name, and the referring Union will honor, referral of core non-apprentice persons who have applied to the local Union for Project work and who provide satisfactory proof of all of the following qualifications to the Union and the District.

- 8.3. Referrals of Contractor Core Employees and Union Craft Labor. The Unions will refer to the Contractor one employee from the hiring hall out of work list for each affected craft, and will then refer one of the Contractor's "core" employees as defined above. The process then will be repeated, one and one, until a maximum of five (5) of the Contractor's "core" employees have been hired, after which point hiring will be done in accordance with Section 8.1 above from the applicable hiring hall out of work list. In the event of a reduction-in-force or layoff, such will take place in the reverse order, with layoff of the core employee and then the hiring hall employee, one and one.
- 8.4. Contractor Utilization of Alternative Labor Sources after 48 Hours. In the event that referral facilities maintained by the Union are unable to fill the requisition of the Contractor for employees within a forty-eight (48) hour period (Saturdays, Sundays and holidays excluded) after such requisition is made in writing by the Contractor, the Contractor shall be free to obtain labor resources from any available source. The Contractor shall refer the worker to the applicable hiring hall for dispatch to the Project, and shall immediately notify the Union of the name, address and social security number of any such worker(s) and shall immediately refer such worker(s) to the appropriate Union to satisfy the requirements of Article VII of this Agreement.

The Contractors/Employers and Union agree to utilize the services of the Center for Military Recruitment, Assessment and Veterans Employment (hereinafter "Center") and the Center's "Helmets to Hardhats" program to serve as a resource for preliminary orientation, assessment of construction aptitude, referral to apprenticeship programs or hiring halls, counseling and mentoring, support network, employment opportunities and other needs as identified by the parties.

- 11.2. Veterans' Database. The Union and Contractors/Employers agree to coordinate with the Center to participate in an integrated database of veterans interested in working on the Project and of apprenticeship and employment opportunities for this Project. To the extent permitted by law, the Union will give credit to such veterans for bonafide, provable past experience

Article 12. Joint Administrative Committee. The Parties to this Agreement shall establish a four (4) person Joint Administrative Committee. The Joint Administrative Committee shall be comprised of two (2) representatives selected by the District and two (2) representatives selected by the Union. Each representative shall designate an alternate who shall serve in his or her absence for any purpose contemplated by this Agreement. The Joint Administrative Committee shall meet as required but not less than once each 3-months during Project construction to review the implementation of the Agreement and the progress of the Project and resolve problems by majority vote, with such resolutions to be binding on all Parties to this Agreement. If the resolution to the problem brought before the Joint Administrative Committee requires a change, amendment, addition to or detraction from any provision of this Agreement, the Joint Administrative Committee shall have the power to make this resolution by majority vote, such resolution to become effective upon approval of the District's and the Union's signatories to this Agreement. If the problem arises out of the meaning, interpretation or application of the provisions of this Agreement, and the Committee is unable to resolve the matter by majority vote, the problem will be referred to the procedures set forth in Article 13 for final and binding resolution.

Article 13. Grievance Arbitration Procedure.

- 13.1. Agreement Procedures Exclusive. The Parties understand and agree that in the event any dispute arises out of the meaning, interpretation or application of the provisions of this Agreement, the same shall be settled by means of the procedures set out herein. No grievance shall be recognized unless the grieving party (Local Union or District Council on its own behalf, or on behalf of an employee whom it represents, or a Contractor on its own behalf) provides notice in writing to the Party with whom it has a dispute within five (5) days after becoming aware of the dispute but in no event more than thirty (30) days after it reasonably should have become aware of the event giving rise to the dispute. The time limits may be extended by mutual written agreement of the Parties.
- 13.2. Grievance Procedures. Grievances shall be settled according to the following procedures:
 - 13.2.1. Meet and Confer (Step 1). Within seven (7) business days after the receipt of the written notice of the grievance, the Business Representative of the involved Local

Union or District Council, or his/her designee, or the representative of the employee, and the representative of the involved Contractor shall confer and attempt to resolve the grievance.

13.2.2. Referral to Joint Administrative Committee (Step 2). In the event that the representatives are unable to resolve the dispute within the seven (7) business days after its referral to Step I, either involved Party may submit it within five (5) business days to the Joint Administrative Committee, which shall meet within five (5) business days after such referral (or such longer time as is mutually agreed upon by all representatives on the Joint Administrative Committee), to confer in an attempt to resolve the grievance. If the dispute is not resolved within such time (five (5) business days after its referral or such longer time as mutually agreed upon), it may be submitted within five (5) business days by either Party to arbitration at Step 3.

13.2.3. Referral to Arbitrator (Step 3). Within five (5) business days after referral of a dispute to Step 3, the Party filing the grievance shall notify the permanent arbitrator set forth in Article IV, or if he is not available, his alternate, for final and binding arbitration. The parties agree that if the permanent arbitrator or his alternate is not available, an arbitrator shall be selected by the alternate striking method from the list of three (3) below. The order of striking names from the list of arbitrators shall be determined by a coin toss, the winner of which shall decide whether they wish to strike first or second

1. William Riker
2. Morris Davis
3. Lluella Nelson

13.2.4. Hearing Process. The costs of the arbitration shall be borne equally by the Party filing the grievance and the Party or Parties against whom the grievance has been filed, with each Party bearing its own attorneys' fees and costs. It is understood that this grievance arbitration procedure will be used to resolve disputes regarding the language of this Agreement, but will not be used to resolve disputes over language of any Schedule A Master Collective Bargaining Agreement. Those disputes will be resolved under the dispute resolution procedures contained in the applicable Schedule A Master Collective Bargaining Agreement. The decision of the Arbitrator shall be binding on all Parties. The Arbitrator shall have no authority to change, amend, add to or detract from any of the provisions of the Agreement. The expense of the Arbitrator shall be borne equally by all Parties to the grievance.

13.2.5. Hearing. The Arbitrator shall arrange for a hearing as soon as practicable from the date of his/her selection. A written opinion may be requested by a Party from the presiding Arbitrator.

13.2.6. Time. The time limits specified in any step of the Grievance Procedure set forth in Section 13.2 may be extended by mutual agreement of the parties initiated by the written request of one party to the other, at the appropriate step of the Grievance Procedure. However, failure to process a grievance, or failure to respond in writing within the time limits provided above, without a request for an extension of time, shall be deemed a waiver of such grievance without prejudice, or without precedent to the processing of and/or resolution of like or similar grievances or disputes.

13.2.7. Limitations. In order to encourage the resolution of disputes and grievances at Steps 1 and 2 of this Grievance Procedure, the Parties agree that such settlements shall not be precedent setting.

Article 14. Work Assignments and Jurisdictional Disputes—Northern California Plan.

14.1. Work Assignments. The assignment of work will be solely the responsibility of the Contractor performing the work involved and such work assignments will be in accordance with the Plan for the Settlement of Jurisdictional Disputes in the Construction Industry (the "Plan") or any successor Plan.

14.2. Jurisdictional Disputes. All jurisdictional disputes between or among Unions, parties to this Agreement, shall be settled and adjusted according to the present Plan established by the Building and Construction Trades Department or any other plan or method of procedure that may be adopted in the future by the Building and Construction Trades Department. Decisions rendered shall be final, binding, and conclusive on the Contractors and Unions parties to this Agreement.

14.3. Arbitration. If a dispute arising under this Article involves the Northern California Carpenters Regional Council or any of its subordinate bodies an Arbitrator shall be chosen by the procedures specified in Article V, Section 5 of the Plan from a list composed of John Kagel, Thomas Angelo, Robert Hirsch, and Thomas Pagan, and the Arbitrator's hearing on the dispute shall be held at the offices of the California State Building and Construction Trades Council in Sacramento, California, within fourteen (14) days of the selection of the Arbitrator. All other procedures shall be as specified in the Plan.

14.4. Prohibition on Work Stoppages. All jurisdictional disputes shall be resolved without the occurrence of any strike, work stoppage, or slow-down of any nature, and the Employer's assignment shall be adhered to until the dispute is resolved. Individual employees violating this section shall be subject to immediate discharge. Each Employer will conduct a pre-job conference with the Council prior to commencing work. The District and the Project Manager will be advised in advance of all such conferences and may participate if they wish. Pre-job conferences for different Employers may be held together.

Article 15. Contractor Management Rights. The Contractor shall retain full and exclusive authority for the management of its business operations, including the right to direct its labor force in its sole discretion, consistent with this Agreement and the applicable Schedule A. No rules, customs or practices shall be permitted or observed which limit or restrict production,

or limit or restrict the working efforts of employees, however, the lawful manning provisions of the applicable Schedule A shall be recognized on the Project.

Article 16. Incorporation of Agreement into Construction Contract and Subcontracts. The District shall cause this Agreement to be incorporated into the terms and conditions of the Construction Contract awarded by the District for Project construction. In executing its Construction Agreement with the District, the Contractor acknowledges and agrees that it shall cause this Agreement to be incorporated into the terms and conditions of each Subcontract awarded by the Contractor to a Subcontractor.

Article 17. Term. This Agreement shall become effective upon execution by the District, after the District's Board of Trustees has approved this Agreement in an open public meeting of the Board of Trustees, and execution by the Council. Prior to each five (5) year anniversary of the effective date of this Agreement, the District and the Council shall meet to discuss proposed changes, if any, to the Agreement. Any mutually agreed upon changes to the Agreement shall be set forth in writing and shall not be effective unless and until approved by the Board of Trustees, the Council and the applicable Unions. Absent changes, the Agreement will roll over for an additional five (5) years. Notwithstanding expiration of the Term of this Agreement, this Agreement shall remain in full force and effect for all Projects under construction at the time of expiration of the Term of this Agreement or for which the District has awarded a Construction Contract prior to the expiration date of this Agreement.

Article 18. Savings Clause. The parties agree that this Agreement shall be interpreted consistent with applicable laws. The Parties agree that in the event any article, provision, clause, sentence or word of the Agreement is determined to be illegal or void as being in contravention of any applicable law, by a court of competent jurisdiction, the remainder of the Agreement shall remain in full force and effect. The Parties further agree that if any article, provision, clause, sentence or word of the Agreement is determined to be illegal or void, by a court of competent jurisdiction, the Parties shall substitute, by mutual agreement, in its place and stead, an article, provision, clause, sentence or word which will meet the objections to its validity and which will be in accordance with the intent and purpose of the article, provision, clause, sentence or word in question. The Parties also agree that in the event that a decision of a court of competent jurisdiction materially alters the terms of the Agreement such that the intent of the Parties is defeated, then the entire Agreement shall be null and void.

Article 19. Counterparts: This Agreement may be executed in counterparts, such that original signatures may appear on separate pages and when bound together all necessary signatures shall constitute an original. Faxed or emailed PDF signature pages transmitted to other parties to this Agreement shall be deemed the equivalent of original signatures.

Article 20. Headings: The section headings contained in this Agreement are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement. All defined terms used in this Agreement shall be deemed to refer to the singular and/or plural, in each instance as the context and/or particular facts may require.

Article 21. Conditions to Enforcement of Agreement. Notwithstanding Article 17, this Agreement is not effective, binding or enforceable unless the electorate within the District's jurisdictional boundaries have voted in the November 2018 election to approve the District General Obligation Bond Measure. If the District does not place a General Obligation Bond Measure on the November 2018 ballot or if the District places a General Obligation Bond

Measure on the November 2018 ballot that does not obtain sufficient votes for passage, this Agreement is deemed terminated without further action of any Party hereto.
