

TIMELY WARNING – SAFETY ALERT

West Valley College

Incident Type: Trespassing

Date Occurred: 08/25/2020

Reference: District Police Case # 2008-00079

DETAILS: Over the last several weeks, we have received multiple calls involving the individual depicted below. Most of the calls involve him being found in closed, locked and darkened buildings often times using a classroom computer to watch pornography. On more than one occasion, unwitting employees have entered a room, only to be startled by his presence. To this point, he has not been aggressive and has cooperated with officers when asked to leave. On 08/25/20 at approximately 7:15 am he was found inside classroom 122A, located in the Cilker School of Art and Design, WVC. Due to the fact that he had been previously warned numerous times, a criminal trespassing citation was issued. Even though a citation was issued he continues to trespass. Previous trespassing incident locations include: WVC Language Arts room 50, Cilker building and Library restrooms.

If you find anyone who is in an unauthorized area or accessed closed building on campus, please notify the District Police immediately.

Safety Tips

1. PROGRAM CAMPUS POLICE DISPATCH NUMBERS INTO YOUR PHONE – Within the campus community our police department can respond to emergencies faster than local law enforcement. The seven digit 9-1-1 number is: 408-299-3233
2. REPORT SUSPICIOUS ACTIVITY – Criminals do not want to be seen or heard. We rely on the community to report suspicious activity. We would much rather respond and not be needed than to not be called when something could have been prevented or stopped. Trust your instincts; if something does not feel right, it probably isn't.
3. BE AWARE OF YOUR SURROUNDINGS – Avoid going to secluded areas of the campus alone. If you are going into a dark or concealed area of the campus, find a trusted classmate or colleague to go to these areas with you.

It is the duty of the West Valley-Mission Community College District to warn of possible dangerous conditions or on-going threats on or near campus. This message is being sent in compliance with the "Timely Notice" provisions of the federal Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act of 1998.
